Preswylfa Street

Behind its traditional frontage, this three bedroom home has been thoughtfully updated while retaining a great deal of its original character. Warm timber flooring runs through much of the house, fireplaces remain as attractive focal points within the reception rooms, and a calm palette of soft, muted tones creates a relaxed feel throughout.

The ground floor offers two comfortable reception rooms, while the kitchen/dining room to the rear has a clean, understated finish with stylish concrete flooring and direct access to the garden. Upstairs, there are three well proportioned bedrooms and an impressive four piece family bathroom.

Outside, the rear garden combines patio seating with a lawn, providing a private and manageable space to enjoy throughout the warmer months.

Canton has long been one of Cardiff's most sought after neighbourhoods. Victoria Park is just around the corner, while Pontcanna Fields, Llandaff Fields and the Taff Trail offer miles of green open space to explore. Cowbridge Road East is within walking distance and is home to an excellent mix of independent cafés, bakeries, restaurants and everyday shops. Cardiff city centre is easily reached on foot, by bicycle or by regular bus services, with straightforward access to the A48 and M4 for those travelling further afield.
