# Conway Road

This incredibly bright, contemporary eco-luxury mid-terrace townhouse lies on the beautiful tree-lined avenue of Conway Road, Pontcanna. It extends to over 2,000 sq feet, with four double bedrooms and a dedicated home office space, with landscaped gardens, a roof terrace and gated double parking. Formally St Winefride's, the property was built originally by the well-regarded Portabella Homes. They were determined to create a modern, energy-efficient high specification home.

The home is split over four floors and offers a spacious and well-balanced layout. The interior and colour palette running throughout reflects a sumptuous boutique hotel style. The ground floor hall leads to a cloakroom and French doors to an open plan 34ft kitchen, diner and sitting room with large doors to the west-facing gardens. A German-engineered rigid handle-less kitchen offers quartz countertops and integrated Bosch appliances and a breakfast bar. On the first floor are the primary bedroom and en suite along with a living room with Juliette balcony to the front. Stairs lead to the second floor which offers two further bedrooms and four piece bathroom. Lastly, the third floor has a large landing come office space with French doors leading out to a sitting roof terrace garden that is amongst the top of the neighbouring trees. There is a further double bedroom and shower room situated off the landing/office space.

The ground floor garden has been beautifully landscaped with rendered raised flower beds, a water feature and gate access leading out to the gated communal parking. There you'll find two allocated parking spaces.
