The Esplanade

Ground floor, purpose-built apartment occupying a superb position along Penarth Seafront. Offered to the market with no onward chain.

Accessed via a well-maintained communal entrance, the apartment opens into the entrance hallway that leads through to a generously proportioned living room. French doors and windows to the rear elevation allows plenty of natural light to flood the space, making it an ideal room for both relaxing and entertaining.

The fitted kitchen is neatly arranged and practical, complementing the living accommodation without compromising on space. There are two well-sized bedrooms, with the main bedroom enjoying the added advantage of an en-suite shower room. A separate family bathroom serves the remaining accommodation.

Further benefits include secure allocated parking to the rear, and access to a residents' fitness suite—a particularly appealing feature for those seeking a low-maintenance lifestyle with added amenities.

This is an ideal property for buyers looking to downsize or retire to a desirable seafront location, as well as those making a first step onto the property ladder in one of Penarth's most sought-after locations.
