Great House Farm,

A spacious Four Bedroom Detached Eco Home set on generous size plot at the head of this quiet cul de sac of this wonderful eco homes development of Great House Farm.

Set in a prime position with gardens overlooking the woodlands. This eye-catching unique residence is a beautiful detached four bedroom house, the last one to be built on this award winning final phase. With versatile accommodation and open plan living, this property will sure to be popular!

High ceilings, generous windows and large sliding patio doors allows the home to be flooded with ample natural light whilst simultaneously connecting the inside and the peaceful outside space together.

Not only offering a beautiful, almost Scandinavian aesthetic thanks to the grass sedum roof and soft grey powder coated wood windows, the property has so much more to offer inside. Intelligent air filters installed encourage health and wellbeing by producing consistent fresh air within the property, ideal for those with any allergies. A lot of thought has gone into the planning aspect with no kerbs, level thresholds and wider doors along with an electric car charging point installed giving thought to the future.

As expected, there are exceptional finishing touches including underfloor heating via large tiles and oak engineered flooring, a stunning Porcelanosa kitchen with a Neff appliance package and superb Porcelanosa tiles throughout the home.

Great House Farm is built to form a community of residents and achieves this admirably thanks to the style and design of the neighbourhood. Cardiff city is only 5 miles away and the M4 is easily accessible via the A4232. A five-minute walk will take you to Deepwood Close and the number 13 bus takes only 30 minutes to the city centre. Culverhouse Cross has a variety of amenities and shops, along with Tesco Extra and Marks & Spencer.

sq ft
