Trem Yr Afon

Rarely available and one of only a handful of detached homes within the sought-after development of The Mill in Canton, this impressive four-bedroom residence has been extensively upgraded and beautifully extended by the current owners since purchasing it new from Lovell Homes.

The standout feature is the stunning open-plan kitchen and dining space, thoughtfully extended to create a superb family and entertaining area, complete with bi-fold doors opening onto the rear garden. Backing onto open fields and mature trees, the property enjoys a peaceful and private setting rarely found so close to the city centre.

The accommodation comprises a welcoming entrance hall, study, dining room, spacious lounge with French doors to the garden, and the showpiece kitchen/diner on the ground floor. Upstairs are four generously sized bedrooms, including two with en-suite shower rooms, alongside a contemporary family bathroom.

Externally, the private rear garden benefits from an attractive patio area and hot tub, while a tandem driveway provides parking for two vehicles and leads to a single garage.

Situated in Trem Yr Afon within The Mill development, the property is ideally located close to a range of local amenities, including a pharmacy and fitness centre, and falls within the catchment area for the highly regarded Ysgol Treganna.

The vibrant district of Canton is one of Cardiff's most desirable areas, known for its multicultural community, independent cafés and restaurants, green spaces, and excellent transport links to the city centre. Home to the nearby Cardiff City Stadium, the area successfully combines urban convenience with a strong sense of community, making it particularly appealing to families and professionals alike.
