Peckham Close

Tucked away within a small cul-de-sac in Danescourt, this stylish semi-detached house offers smartly presented accommodation with a practical layout, fitted storage and a landscaped rear garden designed for modern day living. The house has an easy, welcoming feel from the moment you step inside, with a neat entrance hall leading through to a comfortable living room where bespoke alcove cabinetry adds both character and functionality.

To the rear, the kitchen diner is very much the heart of the home. Bright and well arranged, it opens directly onto the garden through French doors and offers plenty of storage, worktop space and room to dine, making it ideal for everyday family life as well as entertaining. Upstairs, the three bedrooms are sensibly proportioned and complemented by a well-appointed bathroom featuring a spa bath and shower over.

Outside, the property continues to impress. The front provides off-street parking, while the rear garden has been attractively landscaped with patios and a raised artificial lawn, creating a low-maintenance space to enjoy throughout the year.

Danescourt remains a popular part of west Cardiff thanks to its balance of green space, convenience and transport links. There is easy access to local shops, schools and everyday amenities, while nearby railway links and road connections make commuting into Cardiff city centre and beyond straightforward. The area is also well placed for walks and outdoor recreation, with the Taff Trail and surrounding parks close at hand.
