Fairwater Grove West

Behind this handsome bay-fronted facade lies a striking yet sympathetically transformed residence. Built circa 1910, the property has undergone an extensive high-quality renovation that has focused on balancing the living spaces, lighting placement and drawing in natural light throughout. Mindful of the future, solar panels with battery storage and an EV charging point have been installed by the owners. There is a sophisticated interior with a warm colour palette that flows seamlessly through creating a homely and welcoming atmosphere.

The passion for attention to detail can be clearly displayed upon entering the traditional hallway with solid oak flooring and panelled walls. The dining room is partially open to the living room which features sash windows to the front whilst the dining room overlooks an inner courtyard. There is a stylish kitchen with modern integral Neff appliances with a lobby leading through to a beautiful garden room looking out to the greenery to the rear. On the first floor are three bedrooms and a family bathroom with stairs leading up to the second. The primary bedroom features a dressing area with ample built-in wardrobes, air conditioning and an en suite. Outside is a well-stocked, mature, professionally landscaped rear garden with rear access, lighting and power.

Fairwater Grove West is placed within a short stroll to Waungron Railway Station and bus links to Cardiff city centre. Llandaff village and Victoria Park are both close by and enjoy a celebrated restaurant scene along with many amenities, shops and coffee houses.
