Summerfield Avenue

No Chain! Set on Summerfield Avenue in a well-connected part of north Cardiff, this two-bedroom first-floor flat occupies the upper floor of a traditional mid-terrace property and offers generously proportioned accommodation with plenty of character.

The approach begins through a shared entrance hall, where patterned floor tiles and period detailing give a pleasing introduction to the building. Upstairs, the private accommodation unfolds from a split-level landing. At the front is an inviting living room, naturally bright thanks to a broad bay window and an additional front-facing window. Picture rails, chimney-breast alcoves and fitted shelving retain a sense of the building's original character while providing a comfortable setting for everyday living.

There are two bedrooms positioned towards the rear, alongside a separate kitchen with fitted cabinetry, integrated cooking appliances and space for laundry facilities. The bathroom is particularly useful in its arrangement, providing both a bath and separate walk-in shower, together with additional storage.

Summerfield Avenue is well placed for the amenities of Heath and nearby Birchgrove, with local shops and everyday services within the wider neighbourhood. Heath Park is one of Cardiff's significant green spaces, extending to approximately 91 acres with woodland, playing fields and recreational facilities. The University Hospital of Wales is also within the wider Heath area. A selection of primary and secondary schools can be found locally, although buyers should verify individual school catchments directly with Cardiff Council.
