# Well Wood Close

Tucked away within a quiet cul de sac in the heart of Penylan, this thoughtfully extended semi detached home offers a calm and well balanced living environment, designed with both everyday family life and entertaining in mind. The house unfolds with a natural sense of flow, from the welcoming entrance through to a generous open plan kitchen, dining and sitting space where light gathers throughout the day and doors open easily onto the garden.

The interiors are finished in a clean, cohesive style, creating a sense of ease and continuity across the ground floor. Upstairs, four bedrooms provide flexibility for growing families or those needing dedicated work from home space, while the overall layout feels both practical and considered.

Outside, the property continues to impress with ample parking to the front and side, alongside a landscaped rear garden that offers a balance of lawn and patio, ideal for summer use. The detached garage, currently arranged as a separate space, adds further versatility.

Penylan remains one of Cardiff's most desirable residential areas, known for its tree lined streets, strong sense of community and proximity to Roath Park. A range of independent cafés, shops and amenities can be found nearby, along with well regarded primary and secondary schools. The property is also well positioned for access into Cardiff city centre, with regular transport links and convenient road connections making it an excellent choice for commuters.
