Walk Farm Drive | Cardiff | CF3 2UY

Herr &
Crabtree

Over 3,700 sqft Set within a quiet cul-de-sac in the semi-rural village of Castleton this substantial detached farmhouse offers a rare opportunity to acquire a home of exceptional space, character and outlook. Flooded with natural light throughout the principal rooms, the house is framed by open views across greenbelt fields that can be enjoyed from both living spaces and bedrooms, creating a sense of calm and connection to the surrounding countryside that belies its proximity to main arterial routes.

The generous accommodation is thoughtfully arranged over three floors and combines traditional architectural detail and proportions with practical family living. Wide reception rooms feature distinctive exposed oak wrapped beams and generous bay and French windows that draw the eye to the gardens and beyond. The heart of the home is a well-planned kitchen breakfast room with integrated appliances, central island and a walk-in pantry, flowing naturally into the dining area and onto the garden beyond. A double garage and utility space provide everyday convenience, while underfloor heating throughout adds a considered layer of comfort and efficiency.

Upstairs, a principal suite enjoys generous dimensions, fitted storage and an elegant en suite, while additional bedrooms provide flexible accommodation for family, guests or home workspaces. A particularly large fourth bedroom on the uppermost floor offers further versatility. Across all floors the rooms are defined by careful design and generous light, with many of the images revealing vaulted skylights and elevated ceilings that enhance the sense of volume.

Castleton is a sought-after village location providing a peaceful setting with easy access to the A48 and M4, offering swift connections into Cardiff, Newport and beyond. Local amenities, village pubs and country walks are all close by, and the property sits within the catchment areas for Marshfield Primary School and Bassaleg School, both highly regarded.
