No Chain! Positioned on a corner plot in the ever popular district of Cathays, this end of terrace home presents an excellent opportunity for buyers seeking a well proportioned property with scope to make it their own. Previously let as a rental property, the house has been well maintained but would now benefit from some cosmetic improvement, allowing the next owner to add their own style and create a home tailored to their tastes.

The accommodation is arranged over two floors and offers a practical layout with a welcoming entrance hall leading to two separate reception rooms, creating flexible living and entertaining space. The kitchen breakfast room overlooks the rear garden and provides direct access outside, while a convenient ground floor cloakroom adds further practicality. Upstairs are two generous double bedrooms together with a well appointed four piece bathroom featuring both a separate bath and shower.

One of the property's standout features is the converted former garage, now providing a versatile multi purpose room that could serve as a home office, gym, studio, hobby room or additional reception space depending on individual requirements. The enclosed rear garden enjoys a paved seating area, raised planted borders and gated side access, making it an enjoyable and manageable outdoor space.

Cathays continues to be one of Cardiff's most convenient and well connected locations. Albany Road, Crwys Road and City Road are all within easy reach, offering an excellent selection of independent cafés, restaurants, supermarkets and everyday amenities. Roath Park and Bute Park provide attractive green spaces nearby, while Cardiff city centre is within comfortable walking and cycling distance. Excellent public transport links, nearby train stations and straightforward access onto the A48 and M4 make commuting across Cardiff and beyond particularly convenient. The property is offered to the market with no onward chain.
