No Chain! Tucked away within a quiet cul de sac in Heath, this well presented detached house offers a balanced layout that suits modern family living while retaining a sense of warmth and practicality. The ground floor flows naturally from a welcoming entrance hall into a bright living room with a bay window, opening through to a dining space that connects seamlessly with the garden beyond. The kitchen is well arranged with direct access outside, complemented by a separate utility room and integral garage which adds everyday convenience.

Upstairs, four bedrooms are arranged around a central landing, with the principal bedroom benefitting from its own en suite and fitted storage. The remaining bedrooms are well proportioned and supported by a family bathroom, making the house a comfortable option for growing families or those needing flexible space.

Heath remains one of Cardiff's most established residential areas, known for its tree lined streets, excellent schooling and strong community feel. The property is well placed for access to Heath Park and the University Hospital of Wales, while local shops, cafes and amenities can be found nearby.
