Roath Court Place

No Chain. Hern & Crabtree are delighted to present this handsome period mid-terrace bay-fronted house on Roath Court Place, a rarely available street in the heart of Roath.

Owned by the same family for over forty years, the property has been lovingly cared for and retains an abundance of original character, from decorative fireplaces and sash bay windows to stripped wooden flooring and ornate ceiling details. Offering three well-proportioned bedrooms, two reception rooms, a fitted kitchen with utility and a detached garage.

Roath Court Place is superbly positioned close to the bustling high streets of Albany Road and Wellfield Road, both lined with independent shops, cafés, bars and restaurants.

The wide green spaces of Roath Park and Waterloo Gardens are only a short walk away, offering lakeside strolls, tennis courts and play areas. Families are well served by highly regarded local schools including Cardiff High catchment and several primary options nearby including Marlborough Primary School. Excellent transport links provide easy access into Cardiff city centre by bus or bike, while the A48 and A4232 connect swiftly to the M4 for commuting further afield.

This is a wonderful opportunity to purchase a much-loved family home in one of Cardiff's most desirable and convenient locations.
