Set within the highly regarded Bassetts Field development in Rhiwbina, this substantial seven-bedroom detached home provides a rare opportunity to secure a property of scale and versatility in one of North Cardiff's most desirable residential areas. Arranged over three floors, the house has been designed with family living in mind, offering generous proportions and a layout that adapts to the demands of modern life.

The ground floor opens with a welcoming hallway giving access to a cloakroom, the integral double garage and the main reception rooms. A bright lounge and formal dining room create space for entertaining and relaxation, complemented by a kitchen breakfast room and a separate utility. On the first floor, the primary bedroom includes its own en-suite shower room, with three further bedrooms served by both a Jack and Jill bathroom and a family bathroom. The second floor adds two more bedrooms, a shower room and a walk-in airing cupboard, together with access to a fully boarded loft spanning the length of the house.

Outside, the property benefits from a double driveway and landscaped front garden. To the rear, a larger-than-average enclosed garden offers a private setting for family life and outdoor enjoyment.

Rhiwbina is celebrated for its community feel and excellent amenities. Local shops, cafés and services are within easy reach, alongside larger supermarkets and medical centres. The area is well connected by bus and rail, offering swift access into Cardiff city centre, while road links make commuting straightforward. Families are particularly well served, with the property falling within the catchment of the highly regarded Whitchurch High School, and green spaces such as Parc Cefn Onn and Caedelyn Park providing a wealth of outdoor recreation. The Miller & Carter restaurant and a range of popular pubs and eateries add to the vibrant local character, making this a location that combines convenience with quality of life.
