LOCATION

Talybont is a coastal village located on the western fringe of the Snowdonia National Park. Named after the very old road bridge in the centre of the village which goes over the Ysgethin river, the area has miles of glorious sandy beaches, and rugged and remote woodland, with rivers and waterfalls. Talybont also has a restaurant, public house and a railway station with links to the local towns of Barmouth and Porthmadog, and extending to the Midlands and beyond. The nearby village of Dyffryn Ardudwy provides very good local amenities including a school, village hall, shops and petrol station. The area contains a diversity of property and appeals equally as a holiday destination or a place to live and call home.
