Originally 2 cottages but now successfully converted into one cosy dwelling, this generously sized stone build cottage has been tastefully modernised and is perfect for family living.

The ground floor also offers a fitted kitchen and separate utility space - perfect for storage and practical solutions for family life.

Upstairs the property benefits from 3 good sized bedrooms and stylish family bathroom with both a bath and a shower for choice.

Externally the property has off road parking for 2 vehicles and enclosed rear garden with sun drenched patio overlooking the open countryside beyond.
