Gorlys , Morfa Bychan, LL49 9YB

Tom Parry & Co are delighted to offer for sale this beautifully presented two bedroomed semi detached property in the popular seaside village of Morfa Bychan. "Gorlys" has been successfully operated as a holiday let property for a number of years, meeting the government criteria for holiday lets, and finished to a very high standard.

You enter the property via a spacious hallway with cloak facilities which leads to a modern 'Shaker' style kitchen with views over the front garden. You will then find a spacious lounge diner which opens to a stunning rear garden area, which really is the icing on the cake to this property. The large garden is low maintenance, with a lovely covered veranda area with festooned lighting which leads onto a large lawn with secure play area and a large timber summer house. To the first floor there are two good sized bedrooms and a four piece family bathroom with double sinks.

This property could be a great family home but also offers a fantastic investment potential for the holiday let market. Early viewing is recommended.
