Council Tax Band 'A'

This property offers an economical and energy-efficient home, benefiting from a number of significant recent improvements. An air source heat pump was installed last year and benefits from a five-year warranty, with approximately four years remaining. The property has also been fitted with solar panels, helping to reduce ongoing energy costs and making this an attractive option for buyers seeking a more sustainable and cost-effective home.

NOTE: The Agents have not tested any electrical installations, central heating system or other appliances and services referred to in these particulars and no warranty is given as to their working ability.

THESE PARTICULARS ARE THOUGHT TO BE MATERIALLY CORRECT THOUGH THEIR ACCURACY IS NOT GUARANTEED AND THEY DO NOT FORM PART OF ANY CONTRACT.

Floorplans are for identification purposes only and not to scale. Where measurements are shown, these are approximate and should not be relied on. Sanitary ware and kitchen fittings are representative only and approximate to actual shape, position and style. No liability is accepted in respect of any consequential loss arising from the use of this plan. Reproduced under licence from William Morris Energy Assessments. All rights reserved.
