A very rare opportunity to acquire the FREEHOLD interest of a prime harbour commercial unit with planning for residential above.

Available for the first time in over 60 years, and held in the same family since, is this iconic Brixham harbour premises. An unbeatable position on the corner of Kings Street and Fore Street, right in the heart of the bustling port. There are huge volumes of foot-fall from all directions and its specific position on the harbour ensures that anybody venturing between town and the harbour would likely travel directly past.

Having been, (and still successfully operating as) a much loved gift shop for decades, the commercial enterprise could be sold as a going concern, or could be transformed into any number of new ventures.

Currently the ground floor occupies nearly 60sqm of retail space with shop frontage on two sides visible from Fore Street, King Street and the harbour water's edge. Below the shop space is a similar size basement offering lots of storage and great scope to utilise further. Upstairs is currently storage and staff space on the first floor with a WC and Kitchen. On the second floor there are another two large rooms, kitchen, and store.

There is approved planning permission for a spacious 1-bedroom flat with independent access on the top floor, retaining accommodation or storage on the level above the shop floor.

We are delighted to offer the FREEHOLD of this substantial and unique opportunity with NO ONWARD CHAIN.
