Tucked away in a quiet and sought-after residential area of Brixham, this beautifully presented detached family home offers spacious and versatile living accommodation, complemented by attractive landscaped gardens and an integral garage. The property enjoys a peaceful setting while remaining within easy reach of the town centre, harbour, and the stunning South Devon coastline.

Approached by a private driveway providing ample off-road parking, the home immediately impresses with its smart rendered exterior and neatly maintained front garden bordered by mature hedging. A covered entrance porch leads to the front door, opening into a welcoming hallway that sets the tone for the light and airy spaces throughout.

The ground floor features a generous open-plan living and dining room that runs the full depth of the house, with windows to both the front and rear ensuring excellent natural light. This is a comfortable and sociable space for both family life and entertaining, finished in neutral tones with quality flooring and modern lighting. A door opens onto the rear garden, seamlessly connecting indoor and outdoor living areas.

The modern fitted kitchen enjoys a pleasant outlook over the garden and is equipped with a range of cream-shaker units, contrasting work surfaces, and ample space for appliances. A breakfast bar provides additional workspace and an informal dining area, ideal for morning coffee or relaxed family meals. A rear door provides easy access to the garden and patio, making it perfect for summer barbecues and alfresco dining. Also on the ground floor is a handy downstairs WC accessed from the entrance hall.

Upstairs, the property offers four well-proportioned bedrooms, all tastefully decorated and each enjoying views either towards the garden or the surrounding neighbourhood with the church tower behind. The principal bedroom is particularly spacious, featuring built-in wardrobes and ample natural light. The additional bedrooms provide flexible space for guests, children, or home-office use.

There are two bathrooms in the property: a smart main family bathroom with a white suite, shower over the bath, and contemporary tiling, and a second en-suite bathroom adjoining bedroom one, ideal for visiting guests or growing families. Both are finished to a high standard, combining practicality with modern design.
