Situated in a popular residential area near St. Mary's Church, this superb THREE BEDROOM DETACHED HOUSE offers an abundance of space and flexibility - perfect for families! The local area is well-served with useful shops and a large park just behind the church, and the main shops and harbour are just over half a mile away, with a convenient bus service available if needed.

The property enters into a spacious light-and-bright entrance hall leading off to the principal ground floor accommodation as well as upstairs. There is a convenient downstairs WC and very useful integral access to the garage, as well as understairs storage. The kitchen is set to the front of the property - a good sized room with a quality fitted kitchen, offering plenty of cupboard and worktop space in a u-shaped formation, inset gas hob and modern mid-height oven, with good space for a bistro dining set. Through to the large lounge/dining room which surely makes for a real 'hub of the home'. Bathed in natural light and spanning the full width of the property, the room is a super living space for the whole family. Set to the rear, there is a generous sized conservatory enjoying an elevated view over the rear garden and taking in the wonderful South-facing sunshine!

Upstairs, there are three excellent bedrooms comprising two doubles and a good sized single. All rooms boast large picture windows, taking in plenty of light and enjoying very pleasant open views. The property is serviced by a particularly large family bathroom, in immaculate condition with a neutral three-piece bathroom suite.

Outside, there is ample off-road parking on the block paviour driveway which is flanked by a low maintenance gravelled front garden. The generous sized garage is complete with light, power, handy roller-door and courtesy access out to the back. The rear garden is a real treat, with a sunny patio off the conservatory, the South-facing garden drops down to another low-maintenance space laid to artificial grass, with useful summerhouse and a further shaded patio area beyond. The whole garden feels private and is bordered by some well-established shrubs.

This super home certainly enjoys a particular feeling of natural light throughout, benefits from good quality UPVC double glazing throughout and is heated with a full gas-central heating system, serviced by a modern combination boiler. We are delighted to offer this property to market with NO ONWARD CHAIN, and internal viewing is highly recommended.
