Offering an excellent opportunity for the discerning buyer, this spacious detached bungalow is discreetly positioned just off the ever-popular North Boundary Road, accessed via a private drive serving only two bungalows. Occupying the right-hand plot, the property benefits from a generous and private end position, backing directly onto open countryside.

The bungalow is of a good overall size and has been historically extended to both the side and rear. It now offers two garages: one integral garage of generous proportions with internal access, and a second lean-to style garage which would benefit from improvement.

The accommodation is both light and well laid out, with the bedroom areas thoughtfully separated from the main living spaces, providing a good degree of privacy. There are two well-proportioned double bedrooms located to the far right-hand side of the bungalow, with a shower room positioned between them. An inner hallway provides access to a useful airing cupboard.

The spacious living room sits centrally within the bungalow and features a large picture window overlooking the front garden, allowing plenty of natural light. A centrally positioned fireplace provides an attractive focal point to the room.

A particular standout feature of the property is the impressive extension to the rear of the garage, creating a superb kitchen/dining room - ideal for family living and entertaining. This space opens directly onto the secluded rear garden.

The rear garden is of a good size and enjoys a high degree of privacy, backing onto open countryside and offering excellent potential. To the side of the bungalow is additional outdoor space, ideal for sheds, a conservatory, or further garden use, along with a pathway leading back to the front of the property.

The property is offered for sale chain-free with vacant possession. Further benefits include uPVC double glazing and gas central heating via a combination boiler. While the bungalow would benefit from modernisation throughout, it presents an excellent blank canvas with significant potential for the right buyer.
