Welcome to this beautifully presented three-bedroom semi-detached home on the prestigious Inglewood development near Galmpton in Torbay. Nestled in a superb tucked-away position within the first phase of this landmark scheme, the property represents the very first resale opportunity on the site—an exciting chance to secure a modern home in this highly desirable location. Completed in mid-2024, the house is a Danbury model, thoughtfully designed for modern family living with generous proportions and a bright, contemporary feel throughout, and it benefits from the remainder of the builder's warranty for complete peace of mind.

The ground floor features a welcoming entrance hall that leads into a light and spacious dual-aspect lounge with attractive open frontage views. To the rear, a stylish kitchen and dining space creates a wonderful social hub, with French doors opening directly to the garden—perfect for entertaining or relaxing with family and friends. A large ground floor WC sits just off the kitchen/diner, whilst also offering easy potential for conversion into a shower or wet room if desired.

Upstairs, there are two generous double bedrooms, with the principal bedroom enjoying elevated open outlooks to the front, a Juliette balcony, and a smart ensuite shower room. The third bedroom is a compact single that the current owners have cleverly utilised as a dressing room and study, complete with high-quality fitted wardrobes. A modern family bathroom serves this floor, adding to the property's overall practicality and appeal.

Outside, the property continues to impress. The rear garden is private, enclosed and beautifully landscaped, with a paved patio area leading directly from the kitchen diner, creating the perfect setting for al-fresco dining. Beyond this, a lush lawn is bordered by colourful planting, making it ideal for children, pets, or those who simply love an attractive outdoor space. To the front, there is private driveway parking and a large garage with light and power, offering further flexibility and convenience.

As a nearly new home, this property benefits from a range of modern features including a highly efficient air source heat pump system for heating and hot water, and an EV charging point with the garage. It has a highly efficient 'B' rated Energy Performance Certificate. Set within easy reach of Galmpton village, Paignton, coastal walks and excellent transport links, it combines modern comfort with a relaxed, semi-rural lifestyle.

This is a rare opportunity to purchase a nearly new home in a sought-after location. Early viewing is highly recommended to fully appreciate all that this impressive property has to offer.

Council Tax Band: D
