A rare advantage in Brixham is the integral double garage, providing excellent storage, workshop potential or secure parking for multiple vehicles. The property further benefits from gas central heating, PVCu double glazing, cavity wall insulation and extensive loft insulation, creating an efficient and comfortable home throughout the year. Separate gas boilers serve both the main house and the swimming pool facilities.

The landscaped rear gardens are a true highlight of the property, having been carefully designed to create an attractive and private outdoor environment from which to enjoy the elevated outlook. The south-facing orientation ensures excellent sunshine throughout the day, making the terraces and seating areas ideal for entertaining and al fresco dining. Completing this remarkable home is a heated outdoor swimming pool with adjoining pool room, changing facilities, shower and WC — a highly unusual and desirable feature for the area. Mature hedging and walled boundaries provide an excellent degree of privacy, while the elevated position of Brixham Heights allows the property to enjoy outstanding natural light all year round.

Conveniently situated approximately one and a half miles from Brixham's bustling harbour and town centre, the property is also within easy reach of local shops at St Mary's Square, nearby beaches, scenic coastal walks and regular bus services. Brixham Heights also offers excellent access to Kingswear and Dartmouth in one direction, and Paignton, Torquay and the South Devon Highway in the other, connecting conveniently to Exeter, the M5 motorway and Exeter International Airport.
