Set within a well-maintained, purpose-built block of just nine properties, this generously proportioned top-floor flat offers bright, airy accommodation in one of the town's most convenient and sought-after locations. Situated on the level and just a short stroll from the main shopping areas, harbour, and marina, this is an ideal home for first-time buyers, investors, or anyone seeking a stylish, low-maintenance property near the coast.

Positioned on the second (top) floor, the flat enjoys a sunny south-facing aspect with large windows that invite in natural light throughout the day. From its elevated position, the property boasts open and far-reaching views across the beautiful Southdown Hills, creating a peaceful and scenic backdrop to everyday living.

Internally, the flat is very well presented and maintained to a high standard, allowing a new owner to move straight in with no immediate work required—just the opportunity to make it their own. Thanks to its location at the top of the building, this particular flat is one of the largest in the block, with additional internal space due to its position above the stairwell.

Accessed via steps from the front parking area to a clean and tidy communal entrance and hallway, the property also benefits from allocated off-road parking to the rear. Outside, there is a shared low-maintenance garden area, which enjoys good sun and is perfect for drying clothes or relaxing outdoors.

Electric heating ensures efficient and cost-effective comfort throughout the year, adding to the appeal for those looking for an easy-to-run home or rental investment. The flat is ideally positioned for everyday living, with a convenient Spar shop located further along Castor Road and all town amenities within easy reach on foot.

Whether you're starting on the property ladder, downsizing, or seeking a solid buy-to-let opportunity, this bright and spacious top-floor flat offers a winning combination of space, outlook, and location.

Held on a 999 year lease from 1971. The freehold of the building is jointly owned by the residents (Clennon Court Housing Association) and each flat contributes a 1/9th share of the maintenance costs, currently amounting to approx £960.00 per annum.
