This delightful first-floor barn conversion is set within a peaceful courtyard setting in the sought-after village of Galmpton. Elevated in position, the property enjoys pleasant views across the village, with a picturesque backdrop of open fields and woodland, offering a true sense of countryside living.

The accommodation is spacious and well balanced, with a large lounge/diner providing an excellent area for both relaxing and entertaining. Natural light fills the room, enhancing the sense of space and making the most of the attractive outlook.

The kitchen is fitted with a built-in oven and hob and offers a practical layout, ideal for everyday use. There is scope for further improvement, allowing buyers to create a modern and stylish cooking space tailored to their own tastes.

There are two good-sized double bedrooms, both offering comfortable accommodation. The first-floor flat benefits from a well-appointed bathroom, featuring a full suite rather than a shower room, which adds to the property's practicality and appeal.

Externally, the property enjoys a private garden accessed via steps leading down from the second bedroom. This sunny south-west facing garden is a fantastic feature, mainly laid with weed-suppressant material, offering a low-maintenance outdoor space and a blank canvas for landscaping.

Additional benefits include a single garage located in a block at the entrance to the courtyard, newly fitted modern night storage heaters in line with EPC requirements, and PVC double glazing throughout. The property will also be sold with a new 999-year lease, with maintenance costs shared between Flats 1 and 2, making it an excellent long-term purchase.
