ESTATE AGENTS

An extended three-bedroom semi-detached home offering generous accommodation, excellent potential and far-reaching views.

The ground floor is approached via a spacious entrance hall, which has plumbing already in place to allow for the installation of a cloakroom/WC if required. From here, the accommodation includes a comfortable lounge and a dining kitchen, providing a sociable space for everyday family living and entertaining.

To the first floor are three bedrooms, completing the well-proportioned family accommodation.

Whilst the property is in need of some modernisation, it presents an excellent opportunity for the new owner to update and personalise the accommodation to their own requirements.

Externally, there is a lawned garden to the rear, while to the front is a patio garden which takes advantage of the far-reaching views. A particular feature of the property is the detached double garage, providing valuable parking, storage or workshop space.

Situated on the established Sunnybank Crescent in Greetland, this is a spacious home with plenty of scope and should appeal to buyers looking for a property they can improve and make their own.
