Situated in the convenient area of West Vale, this attractive and deceptively spacious two/three bedroom terraced home offers versatile accommodation arranged over four floors, ideal for modern family living and home working alike.

The property has been thoughtfully extended to the rear to create a generous dining kitchen — a perfect hub for everyday living and entertaining. A fully tanked cellar provides an excellent additional space and is currently used as a home office, offering a quiet and practical work-from-home solution.

To the first floor is a spacious master bedroom along with a well-proportioned second bedroom and bathroom. The converted attic room, presently used as a playroom, has previously served as an occasional third bedroom and offers excellent flexibility.

Externally, the home enjoys an enclosed patio garden to the rear, ideal for outdoor dining, while to the front is a low-maintenance artificial lawn garden, perfect for relaxing or for children to play.

West Vale is a popular and well-connected location, offering a range of local shops, cafes, bars and well-regarded schools, all within easy walking distance. The property is ideally positioned for commuters, with excellent access to the M62 motorway network, providing direct links to Leeds, Manchester and beyond.

This charming home combines character, space and convenience in a sought-after Calderdale village setting and would be ideal for a wide range of buyers.
