A spacious three-bedroom terraced home that has been a much-loved family residence for many decades. The property offers generous and well-proportioned accommodation throughout, featuring a through lounge providing a bright and airy living space, along with a kitchen dining room ideal for family meals and entertaining. A useful utility/store room adds further practicality.

To the first floor are two double bedrooms and a single bedroom, complemented by a shower room and a separate WC. While the property would now benefit from a programme of modernisation, it offers excellent potential for buyers looking to create a home to their own taste.

Externally, there is an enclosed rear garden with sheds and a greenhouse, perfect for keen gardeners. The front garden offers potential to create off-road parking, subject to obtaining the relevant permissions.

An excellent opportunity to acquire a property with space and scope for improvement in this popular Stainland location.
