£575 PCM

OFFICE PREMISES

166.39m² (1,791ft²)

- Finished to a good standard with exposed brick, suspended ceilings, modern specification lighting and central heating
- Well positioned and accessible for Huddersfield town centre and having good on-site car parking

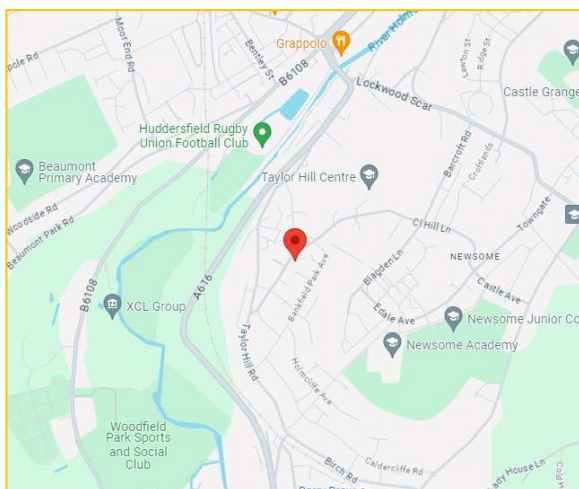

DESCRIPTION

The property comprises a 3 storey stone built property which is part of a former mill complex and subsequently been converted to provide good quality office accommodation. The property has a ground level entrance with predominantly open plan accommodation to the first and second floors. The accommodation has suspended ceilings, modern specification lighting, central heating and incorporates the original features of the building with exposed brick and stonework.

The building has the added benefit of a small car parking area which is self-contained and will provide parking for approximately 6 cars.

LOCATION

The property is positioned in the Taylor Hill district of Huddersfield approximately 2 miles to the south of the town centre. This is a predominantly residential area however there is a range of former mill buildings positioned between Taylor Hill Road and Fair Lea Road which the property comprises part. This is an accessible area with good access to areas within the Holme Valley and within easy reach of Huddersfield ring road.
