DESCRIPTION

The workspace occupies part of the ground floor of this two storey industrial building positioned on the outskirts of Cleckheaton. The unit has access to a shared loading bay and is independently supplied for electricity. The unit provides an excellent opportunity for local businesses or new business start-ups to lease good quality workspace in an accessible location.

The workspace has recently been refurbished to a good specification by the landlord and has good external yard space and loading.

In addition to the stores/workshop unit there is space available within the adjoining office building with single offices and office suites available by separate negotiation.

LOCATION

The property is positioned off the main Bradford Road (A638) between Balme Road and Law Street. It is well positioned, approximately 0.5 miles to the northwest of Cleckheaton town centre and a similar distance from Junction 26 of the M62 motorway network at Chain Bar.

Balme Road is a turning to the northwest of Bradford Road, with the majority of land use along this side of Bradford Road being industrial in nature. This is a well-established and popular industrial location which is driven by the accessibility of the area due to its proximity to the M62 motorway network which makes Leeds, Bradford, Huddersfield and Manchester within relatively easy reach.
