This superb stone built, 4 bedroom mews property is situated in this popular and highly desirable residential location. Forming part of the Toothill Court Estate, dating back to the early 19th century, the property displays features one would normally expect from a building of this era, such as a wealth of exposed beams and trusses and feature stone work. Providing accommodation extending to approximately 2,200sqft across two levels, the property has a magnificent first floor sitting room which is exposed to the full roof height, highlighting the magnificent beams and trusses.

The property would require some cosmetic improvement, however this has been reflected within the asking price.

Boasting 4 bedrooms, with en suite facilities to the master bedroom, the property is further enhanced by enclosed gardens, driveway to the front with wrought iron entrance gates and integral garaging.

Seldom do properties of this nature and size, appear on the open market and only by a personal inspection can one truly appreciate the size, quality and position of this outstanding family home.
