NO UPPER CHAIN

A unique opportunity has arisen to purchase this superb stone built, 4 bedroom, detached property.

Situated in an outstanding rural position with superb panoramic views across the adjacent greenbelt countryside, the property provides 4 bedrooms, with en suite facilities to the master bedroom, 2 generously sized reception rooms, a breakfast kitchen, oil and gas fired central heating (via tank systems) and uPVC double glazed windows.

Externally there is a spacious, detached double garage to the rear, which incorporates a sun terrace above and an additional workshop/storage area beneath, as well as further storage space within the main house.

The property does require a programme of modernisation and improvement works, however this has been reflected within the asking price. Due to the workshops and garaging, the property would make an ideal purchase for a self employed tradesman or alternatively those wishing to make a bespoke dwelling.
