FINANCE & SOURCE OF FUNDING:

HMRC require Estate Agents to ensure source of funding is provided by all those wishing to bid on an online auction. This is done to ensure that the funds being used are legitimate and are not subject to money laundering. Therefore, all registered bidders will be provided with a source of funding form to complete and evidence will be requested e.g. bank statements, sale completion letters, accountant letters, business accounts, ID and bank statements for additional parties who are lending funds....etc to prove where the funds are from and how long they have been held for. Any person who does not wish to provide this, are advised they will not be authorised to bid.

Bramleys DO NOT recommend purchasing a property with a mortgage due to the strict deadline of 20 working days to complete the purchase. If you successfully bid on the property and are unable to complete the purchase due to lack of funds, then this will result in breach of contract and financial penalties (as shown below).

CONTRACT:

The auction legal pack is available to view online, please

access the auction portal through the auction lot on our website. If you have not registered with us before, then you will need to create a new account.

As all details provided at the end of the auction will be added to the contract and sent to both sets of solicitors.

Persons bidding by proxy, must still provide ID for themselves and the person/company buying the auction lot.

Failure to provide the correct buyers information, can cause the auction contract to be invalid, meaning a potential loss of the deposit and further legal charges.

BIDDER SECURITY / DEPOSIT:

For this Lot, a Bidder Security of £13,000 will be held by Bramleys until the end of the auction sale.

The successful bidder will be automatically charged the £13,000 at the end of the auction and this will be used as payment of the deposit (please ensure your account is
