ALL PROSPECTIVE BIDDERS ARE REMINDED TO READ THROUGH THE T&C'S PRIOR TO BIDDING

An opportunity has arisen to purchase this substantial stone built, 6 bedroom, detached, Victorian residence. Due to a fire in 2024, the property requires a full programme of repair and refurbishment works to bring it back to its former glory, which has been reflected within the realistic guide price.

The property offers enormous potential to bring back the extensive accommodation which is arranged across 4 levels, to once again provide 6 bedrooms, with en suite facilities to the master bedroom, 2 reception rooms, breakfast kitchen and spacious lower ground floor cellar rooms.

Being of interest to the developer or investor alike, the unique opportunity to create a stunning detached home must not be missed.

Alternatively, the site also provides further scope for redevelopment due to the generous size of the plot. However this is subject to any necessary planning consents. With good access to the nearby University, it could lend itself to either home owner occupation, or alternatively student accommodation.

FIRE DAMAGE - NO INTERNAL VIEWINGS

The fire occurred in November 2024 and as can be seen from the photos included within the marketing information, there is extensive damage to the property which means that Bramleys are unable to carry out internal viewings. The property has been cleared since the photographs were taken, however we are unable to take new ones. Therefore all photos are to be used for illustration purposes only.
