Anti Money Laundering Requirements

In line with The Money Laundering, Terrorist Financing and Transfer of Funds (information on the Payer) Regulations 2017, as a regulated profession, we are duty bound to carry out due diligence on all of our clients to confirm their identity. Rather than traditional methods in which you would have to produce multiple utility bills and a photographic ID we use an electronic verification system. This system allows us to verify you from basic details using electronic data, however it is not a credit check of any kind so will have no effect on you or your credit history. To do so the Credit Referencing Agencies may check the details you supply against any particulars on any database (public or otherwise) to which they have access. They may also use your details in the future to assist other companies for verification purposes. A record of the search will be retained.

A fee of (£24 inc VAT) per purchaser will be charged to cover the costs associated with fulfilling our obligations under the act. A link will be sent to your mobile to enable you to make the payment and thereafter the biometric check.
