An opportunity to acquire an extended red brick Victorian town house located in a vibrant sought after area in the very heart of Cirencester town close to a selection of local amenities including a nature reserve, gated park with selection of leisure facilities, nearby allotments for local residents and a car park at the end of the street for use of residents in the local area. In recent years the present vendors extended this flexible period town house to give a good sized family home. The accommodation is dated and does require a degree of refurbishment however offers a good opportunity to purchase in this sought after area. External there is a small courtyard to the rear of the property and also a large allotment located in the area to the rear of this terrace of houses. Many people have tended this area to provide a good sized garden area. We recommend early viewing of this period family home through Cain and Fuller in Cirencester.

Cirencester

Cirencester is an historic Roman town which became an important centre for the wool trade in medieval times. Today it is a thriving market town. The property occupies a desirable situation. Shopping in Cirencester is highly regarded, off the main streets there are many interesting back lanes with specialist shops, particularly Black Jack Street. On the outskirts of the town are two supermarkets (Waitrose and Tesco) as well as a Hospital. A new Leisure Centre was opened in 2006 and one of the oldest open-air pools in the country is a short walk. A gate to the 2500 acre Cirencester Park, belonging to the Bathurst family and open during the day, is also a short walk off Cecily Hill. Many concerts are given in the Church and there are talented local choirs and amateur dramatic groups. Within about half an hour's drive are the towns of Cheltenham, Gloucester and Swindon. Bath, Oxford and Stratford are about an hour by car, with superb cultural and recreational facilities. Private and State schools in the area are excellent, such as Beaudesert, Deer Park, Kingshill, Prior Park, Rendcomb and Hatherop Castle.

Kemble airfield has facilities for small aircraft and Aston Down is a gliding centre. Cirencester has had a golf course for over 100 years and others are at Minchinhampton, Burford and Naunton. Superb horse racing takes place at Cheltenham, as well as at meetings at Newbury and Bath. Sailing is available on the lakes between Cirencester and Swindon.
