An attractive and substantially extended three-bedroom semi-detached village house, sympathetically enhanced and comprehensively refurbished by the present vendors to an exceptionally high standard. The property combines traditional Cotswold character with beautifully appointed contemporary living space, while enjoying a particularly enviable position with far-reaching views across open countryside to the rear.

The accommodation is ideally suited to modern family life, with generous reception space, excellent entertaining areas and a wonderful connection between the house and garden. On entering the house a useful reception hallway with stairs to first floor has door to a the cosy lounge which immediately provides a warm and inviting environment, retaining a traditional Cotswold character and featuring a fitted wood-burning stove, making this an ideal room in which to relax.

The heart of the house is the impressive kitchen/dining/family room, a superbly proportioned space designed for both everyday family life and entertaining. The modern fitted kitchen provides an excellent range of storage, complemented by a useful breakfast bar, while the generous dining and family areas create a versatile space for the whole family. A downstairs cloakroom/utility room, together with a further WC, provide the practical facilities expected of a well-designed family home.

To the first floor is the particularly impressive master

There are two further family bedrooms one which benefits from a cleverly located en suite shower room making it an ideal guest space.

To the front of the property is a generous driveway providing ample off-road parking, attractively enclosed by a traditional Cotswold stone wall to the front which complements the character of the house and its village setting.

The rear garden is a particular highlight of the property. Immediately adjoining the kitchen/Dining/Family room is an extensive paved entertaining terrace, directly accessible through the large bi-folding doors and providing the perfect setting for outdoor dining and entertaining. Beyond this is a level lawn with well-stocked flower borders, the whole garden being fully enclosed and therefore particularly suitable for young children and pets.
