Kings Heath

Offers Around £300,000

Description

Situated in this most sought after cul de sac just off main A435 Alcester Road South, this two bedroom end of terraced house has potential for extension subject to planning and was originally built by Bournville Village Trust, residents benefit from the use of a gated park area which is still maintained by the trust.

There is the benefit of local shops within walking distance at Kings Heath and Maypole via the Alcester Road which in turn provides access to the M42 motorway via the Hollywood bypass and forms the hub of the midlands motorway network.

There is a railway station nearby at Yardley Wood offering commuter services between Birmingham and Stratford upon Avon and local bus services pass right by providing access to the City of Birmingham and the surrounding suburbs.

Set back from the road via a block paved driveway, a UPVC front door opens into the hallway with stairs to the first floor accommodation and door into the lounge with bay window to the front and open access into the dining room with sliding doors into the rear garden and doors to the garage and kitchen.

On the first floor there are two double bedrooms and a bathroom.

The rear garden is of a good size and has a paved patio area leading to lawn with flower and shrub borders, timber shed, greenhouse, fencing to boundaries and courtesy door to the garage.
