ESTATE AGENTS

The image shows the front facade of a two-story brick house. The house has a dark grey tiled roof and a red brick exterior. On the ground floor, there are two white doors with small windows, each under a white portico. The door on the right has the number "165" above it. To the right of the doors is a white-framed arched window. On the first floor, there are three white-framed rectangular windows. A black metal fence runs along the front of the property. The sky is overcast and grey.

Description

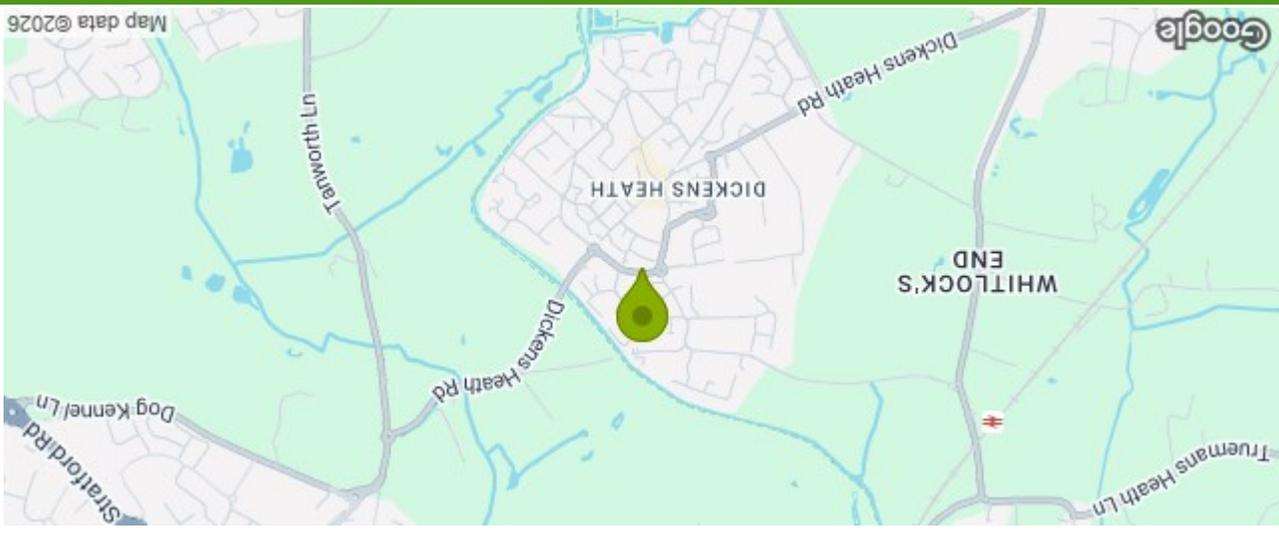

Accommodation

BROADBAND: We understand that the standard broadband download speed at the property is around 6 Mbps, however please note that results will vary depending on the time a speed test is carried out. The estimated fastest download speed currently achievable for the property post code area is around 1800 Mbps. Data taken from checker.ofcom.org.uk on 02/03/2026. Actual service availability at the property or speeds received may be different.

MOBILE: Please refer to checker.ofcom.org.uk for mobile coverage at the property. This can vary depending on the network provider and other factors that can affect the local mobile reception and actual services available may be different depending on the particular circumstances, precise location and network outages.
