

A wide-angle photograph of a modern, empty interior space. The room features light-colored wood-look laminate flooring and white walls. On the left, a white six-panel door is set into a wall with a small window and a radiator below it. In the center background, a kitchen area is visible with white cabinetry, a black countertop, a built-in oven, and a stainless steel range hood. A skylight is positioned above the kitchen. To the right, a glass-enclosed shower is partially visible through an open doorway. The ceiling is white with three modern pendant lights hanging from it. A yellow oval logo with green text is in the top right corner, and a green banner with white text is in the bottom right corner.

Description

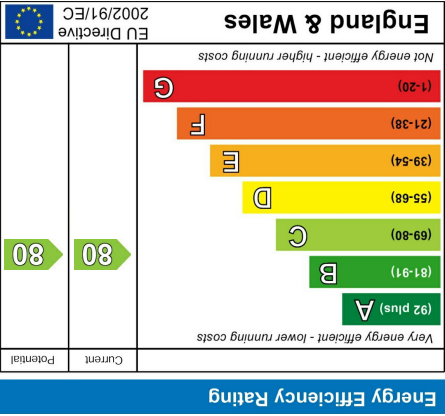

Accommodation

BROADBAND: We understand that the standard broadband download speed at the property is around 16 Mbps, however please note that results will vary depending on the time a speed test is carried out. The estimated fastest download speed currently achievable for the property post code area is around 1800 Mbps. Data taken from checker.ofcom.org.uk on 13/01/2026. Actual service availability at the property or speeds received may be different.

MOBILE: Please refer to checker.ofcom.org.uk for mobile coverage at the property. This can vary depending on the network provider and other factors that can affect the local mobile reception and actual services available may be different depending on the particular circumstances, precise location and network outages.
