**BROADBAND/MOBILE:** Please refer to checker [www.ofcom.org.uk](http://www.ofcom.org.uk) for broadband and mobile coverage at the property. From data taken on 4/3/2026 we understand that the standard broadband download speed at the property is around 1000 Mbps, and the estimated fastest download speed currently achievable for the property post code area is around 500Mbps. Actual service availability or speeds received may be different and may vary depending on the time a speed test is carried out. Mobile coverage can vary depending on the network provider and other factors that can affect the local mobile reception and actual services available may be different depending on the particular circumstances, precise location and network outages.
