Description

This extended Bryant built link detached house situated close to the town centre in the heart of Solihull B91; just a stones throw from St Alphege Church and the High Street.

Church Hill Close leads directly off Church Hill Road and the town centre of Solihull. A most appealing location offering the benefit of close proximity to the town centre yet enjoying the privacy of a cul-de-sac location. Solihull has a thriving business community and its own main line London to Birmingham railway station opposite which is Tudor Grange Park and leisure centre and Solihull College. Further down there is Widney Manor Railway Station with commuter services to London and Birmingham.

Travelling away from Solihull along Blossomfield Road one will join Marshall Lake Road where one will find Sears Retail Park. Marshall Lake Road joins the A34 Stratford Road which gives access to the city centre of Birmingham, via Shirley and Hall Green, and in the opposite direction to junction 4 of the M42 motorway. At junction 6 is access to the National Exhibition Centre, Resorts World, Motorcycle Museum and Birmingham International Airport and Railway Station.

An ideal location therefore for this link detached property which is in need of some updating in part but has been lovingly maintained for many years by the current owners. The property has a private garden to the rear and accommodation that is arranged over two floors and really does require internal inspection to appreciate the proportions of the rooms and the potential offered by this property.
