Shirley

Asking Price £325,000

## Description

Sandy Hill Road is a popular residential road leading from the main Stratford Road in Shirley. Along the main road run regular bus services into the City of Birmingham and nearby central Solihull, where there are excellent shopping and business facilities.

Located along the Stratford Road are an excellent range of shops, including a wide choice of Supermarkets and Superstores on the nearby Retail Park. A thriving business community exists along the Stratford Road and this extends down to the Cranmore, Widney, Monkspath and Solihull Business Parks, and beyond here a journey of some three miles from the property, to the M42 motorway, forming the hub of the Midlands motorway network.

Schooling in Shirley is of considerable renown. We are advised that junior and infant schooling is catered for at Haslucks Green Junior and Burman Infant School, with senior schooling for the property being at Light Hall School. There is Our Lady of the Wayside Roman Catholic Junior and Infant School on the Stratford Road and the town centre of Solihull boast Sixth Form Colleges. Education facilities are subject to confirmation from the Education Department.

An excellent location therefore for this traditional semi detached property which sits back from the road behind a front driveway. A UPVC double glazed door open to the entrance hall which benefits from a closet and under stair storage. Off the hallways is the good sized dining room with bay window and electric fire place with surround, living room with French doors onto the rear garden, fitted kitchen with a range of integrated appliances and a door onto the rear garden.

To the first floor we have three bedrooms two of which are great sized doubles and a further single. The Family bathroom is generous in size and offers a four piece suite including a separate walk in shower.

To the rear we have a good sized private garden with patio area and predominantly laid to lawn with mature shrubs and panelled fencing.
