Shirley

Description

Burman Road links Bills Lane with Haslucks Green Road and is ideally located for the amenities of Shirley. The road itself is an eclectic mix of property styles from Edwardian and Victorian built houses to more recently constructed modern detached houses. This property sits in the mid section of the road, and is one of a run of similar 'Swiss' style semi detached houses constructed in the 1920's and is being occupied by the current owners for over 25 years.

We are advised that the property is situated within the catchment area for Light Hall School which can be found in Hathaway Road, with infant schooling being at nearby Burman Infant School in Velsheda Road, and junior schooling is at either Haslucks Green Junior School in Haslucks Green Road or Shirley Heath School just off the Stratford Road. Also nearby, on the main Stratford Road, you will find Our Lady of the Wayside Roman Catholic Junior and Infant School and in Solihull on Whitefields Road is St Peter's Roman Catholic Senior School, although all education facilities are subject to confirmation from the Education Department.

The main shopping centre in Shirley offers a wide choice of Supermarkets, convenience and speciality stores, restaurants and hostellers and there are frequent bus services running along the A34 into Birmingham City Centre and Solihull Town Centre – boasting the vibrant and modern Touchwood Centre offering shopping facilities and evening entertainments. Shirley has its own train station in Haslucks Green Road, at the top of Burman Road, which provides a train service to Birmingham City Centre and Stratford upon Avon. Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business Parks and on to Blythe Valley Business Park which can be found at the junction with the M42 motorway, providing access to the Midland Motorway Network. A short drive down the M42 to Junction Six, you will find Birmingham International Airport and Railway Station.

An ideal location therefore for this extended traditional semi detached house which enjoys an enviable position backing onto the school playing field providing a private aspect to the rear. The versatile ground floor accommodation benefits from a full width extension which enlarges the lounge and provides an extra reception room and the kitchen has been extended behind the garage. The ground floor also boasts dining room, ground floor WC and a useful storage room. On the first floor are three well proportioned bedrooms and a family bathroom. There is a full width block edged tarmac driveway, a wide side garage and a delightful established rear garden. Houses of this calibre are rare to come to the market in Shirley and as such the property really does need to be viewed to appreciate the space offered and also the potential for further enhancement to the accommodation.
