Dickens Heath Road

Dickens Heath

Offers Over £215,000

Description

This unique end coach house forms part of this small of the Dickens Heath development close to the village green and was built to a one off architect design which takes into consideration the bend in the road which it sits aside. The larger than expected accommodation really does need to be viewed to be appreciated and has the huge benefit of being sold with the benefit of no upward chain.

Dickens Heath Road is the main artery road through the modern village development of Dickens Heath. The development benefits from the close proximity of open countryside and the canal, where canal side walks will take you through to Birmingham Centre and Earlswood Lakes. The village boasts its own junior and infant school, and secondary education can be found at nearby Solihull secondary schools, including Light Hall and Alderbrook. Education facilities are subject to confirmation from the local Education Department.

The main shopping centre of nearby Shirley offers a wide choice of supermarkets, convenience and speciality stores, restaurants and hostelrys, and there are frequent bus services along the A34 into Birmingham city centre and Solihull town centre boasting the vibrant and modern Touchwood Development offering shopping facilities and evening entertainment.

Shirley has its own train station in Haslucks Green Road, providing a service to Birmingham city centre and Stratford-upon-Avon, and also close to the village is Whitlocks End Railway Station which also provides a service to these destinations.

Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park, and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business and leisure park, and onto the Blythe Valley Business Park, which can be found at the junction with the M42 motorway, providing access to the midland motorway network. A short drive down the M42 to junction 6 will find National Exhibition Centre and Birmingham International Airport and Railway Station.

Sitting back from the road behind a paved pathway access which leads to the front door with stairs rising to hallway with doors off to double bedroom, bathroom, good size lounge diner and opening off there leading to
