Description

Kingfisher Way is located on the 'Cheswick Place' development just off Tanworth Lane betwixt Shirley and the village of Cheswick Green.

The development is ideally placed to retain a good level of convenience with the close proximity of Shirley and Solihull town centres, access to the motorways and access to both buses and the train stations at nearby Whitlocks End and Earlswood; yet also benefits from being close to open countryside providing a choice of areas of recreation.

An ideal location therefore for this attractive first floor purpose built apartment; one of just six on the development in this well maintained block having independent parking to the rear. The property benefits from gas central heating and has a modern fully fitted kitchen area with bright living area off, two good bedrooms, an en suite shower room and additional bathroom. The property is being sold with no upward chain and is offered with the potential for any purchaser to acquire the furniture within the property; making it a real 'turn key' opportunity for a new buyer.
