Binton Road is a popular residential road situated between Neville Road and Loxley Avenue. Constructed in the late 1950's this cluster of similar properties are located in a most convenient position close to the amenities of Shirley, yet in close proximity to woodland, a bridlepath and the fisheries along Bills Lane.

Along the A34 Stratford Road there is an excellent choice of shops, business premises, restaurants and pubs which are augmented by the superstores sited on the retail park on Marshall Lake Road.

There are well regarded schools in the area including Our Lady of the Wayside Roman Catholic School, Haslucks Green Junior School and Burman Infant School. We are advised that the property currently falls into Light Hall Senior School catchment area. All school catchments are subject to confirmation from the local education department.

There is a thriving business community in the Shirley area which extends south along the A34 to the Cranmore, Widney and Solihull business parks and on to the Blythe Valley Business Park which is sited on the junction with the M42 motorway which provides access, via its junction with the A45, to The National Exhibition Centre, Birmingham International Airport and Station.

An excellent location therefore for this semi detached house which is set back from the road behind a full width paved driveway that extends to a sliding double glazed front door which provides access to the
