Regency Gardens

Yardley Wood

Offers Around £299,950

Description

Regency Gardens leads from School Road, close to its junction with both Prince of Wales Lane and Yardley Wood Road.

This modern property is conveniently situated for local shops, and in addition there is an excellent choice of shops along the A34 Stratford Road in the town centre of Shirley.

The nearby A435 provides easy road access to the M42 motorway which forms the hub of the national motorway network and in turn provides access, via its junction with the A45 Coventry Road, to the National Exhibition Centre and Birmingham International Airport and Railway Station.

There are train stations at both Yardley Wood and Shirley from where commuter services operate to Birmingham City Centre and beyond.

An ideal location therefore for this semi detached house which is being offered for sale for the first time since it's original construction in 1975. This much loved family home was extended during the 1980's and owing to the wider plot does offer potential for additional extension to the first floor (subject to necessary planning permission). The property has been well maintained by the owners and benefits from a rear garden that has been landscaped with ease of maintenance in mind and a deep front driveway and foregarden giving a higher degree of privacy.
