Description

Burley Close is a small cul-de-sac of similar detached houses located off Sansome Road. The cul-de-sac is ideally positioned to take advantage of Shirley Railway Station serving Birmingham City Centre and Stratford- upon Avon. On Haslucks Green Road towards the station are a run of useful local shops including the Sainsburys local, post office and take aways.

Along Haslucks Green Road at the Colebrook roundabout is Velsheda Road, off which is Burman Infant School, and Haslucks Green Junior School is sited off Haslucks Green Road. We are advised that the property currently falls in Light Hall School catchment area, subject to confirmation from the Education Department.

Frequent bus services operate along the A34 Stratford Road providing access to the City of Birmingham and surrounding areas or to the town centre of Solihull. There is wide choice of shops and hostelries along the A34 in the town centre of Shirley including Asda and the new Park Gate Centre and a selection of superstores sited on the retail park in Marshall Lake Road. There is also a wide choice of business premises both in the town centre and stretching along the A34 to the Cranmore and Monkspath Business Park and Blythe valley Business Park which is sited close to the junction of the A34 and M42 motorway. The M42 provides access, via its junction with the A45, to The National Exhibition Centre, Birmingham International Airport and Station.

An ideal location therefore for this deceptively spacious end link detached house which has been occupied by the current owners for over 30 years and during that time has been extended and altered to offer versatile open plan living space on the ground floor boasting a living area, dining kitchen, garden room with log burner and ground floor WC. On the first floor there are three bedrooms and a practical shower room. Occupying possibly the biggest plot on the development the property has a charming easy maintenance rear garden with a delightful covered seating area and wide side access which leads to the detached double garage to the front with driveway parking. The term 'tardis' really describes this end link detached house which definitely requires immediate internal inspection and is being sold with the benefit of no upward chain.
